PREFACE.

THE Eighteenth issue of the Chicago Blue Book possesses the features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

The title, "Blue Book," is given the work because of its *blue* cover It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "Blue Book—A parliamentary publication, so called from its blue paper cover, such being commonly used; *also, a book containing a list of fashionable addresses.*"

We do not claim the Blue Book is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained herein. It is simply a compilation of about twenty-four thousand names of the most prominent householders of Chicago and suburbs within a radius of thirty miles, published in the most convenient form for reference by our lady patrons.

Neither time nor money has been spared to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We keep the entire work standing in type, that such corrections can be made promptly, and in this way we hope to make the Chicago Blue Book as nearly perfect as it is possible to make such a volume.

While retaining all the old features, such as Calling Days in the Street List, and Summer Residences in the Alphabetical List, we have added very materially to our Miscellaneous Information, Club Lists, Churches, etc. We shall always be pleased to receive any suggestions from our

92231

lady patrons whereby we can enhance the value of this work to them, or any information regarding Social or Literary Clubs and Associations which we have not already incorporated in our volume.

The data for this work have not been compiled from circulars or from other Directories. Experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names. In order to issue the book before the Holidays, it is necessary for us to commence our annual canvass early in September. We would therefore deem it a great favor if those absent from their homes after October 1st would send us each year the information they wish inserted, in order that the work may possess that accuracy and completeness we have taken so much pains to secure.

Payment of Postage without Stamps.

Upon application to the Post Office there will be issued a permit to mail third or fourth class matter without postage stamps affixed, on prepayment of the lawful postage rate in money. Matter mailed under the authority thus granted must consist of separately addressed pieces, wrapped or enveloped so as to be easy of inspection, and for delivery within the United States or its possessions, and Canada, Cuba, Mexico, and the Republic of Panama. In the upper right-hand corner of the face or address side of the envelope, wrapper, address label, or tag of each separately addressed piece mailed under the provisions of this section must be printed a statement showing the amount of postage paid on the piece, the word "Paid," and the name of the post office and State where mailed, followed by the permit number in the form and within the sizes of type prescribed in the following paragraph:

The face of the type used in printing the indicia in the upper right hand corner must not be smaller than 10 point nor larger than 24 point, and the figure representing the amount paid in money must not be smaller than 14 point nor larger than 36 point, and this indicia must not be obstructed or confused with any other matter whatever; no special marks, figures, or other individual designs for its display are allowable.

Matter to be mailed without stamps affixed must be presented at the Post Office, faced with the address sides all the same way, and tied into bundles, in order that it may be counted both quickly and accurately.

When such matter is presented for mailing, a statement of mailing must be made out by the sender upon a blank form provided by the Post Office, setting forth the number of identical pieces of matter to be mailed, the class of such matter, and the exact weight of each piece. This statement shall be duly dated and signed, and shall bear the permit number. The statement will then be presented upon each mailing at the office of the Cashier, together with the amount of money necessary to prepay the postage. The office of the Cashier will be kept open (daily except Sunday) from 9 a.m. to 7 p.m., for the accommodation of persons and firms desiring to mail matter under these rules.

Post Cards.

Cards must not exceed in size $3\frac{9}{16}$ by $5\frac{9}{16}$ inches or be less than $2\frac{15}{16}$ by $4\frac{5}{8}$ inches.

The quality of the cards must be substantially that of the Government postal cards, and weigh about 6 pounds 3 ounces to the thousand.

The cards may be of any color.

The cards must bear these words at the top of the address side: "Post Card." When prepared by printers or stationers for sale, they should also bear in the upper right-hand corner of the address side an oblong diagram with the words, "Place the postage stamp here."

The postage rate applicable to cards for the United States, Canada, Mexico, Cuba, Republic of Panama, and Shanghai, is one cent. For other countries the rate is two cents.

The face of the card is reserved for postage stamps, post-marks, and the address, which may be in writing, printing, by means of a stamp, or by an adhesive label of not more than three-fourths of an inch by two inches in size. The sender may in the same manner indicate his name and address on the face or back of the card; and engravings and advertisements may be printed on the front if they do not interfere with a perfectly distinct address.

The message on the cards may be either in writing or print; and there may also appear on the message side advertisements, illustrations, or other matter printed either in black or in colors.

There must be attached to every card mailed an adhesive postage stamp of the proper value.

When the payee or remitter of a money order collects it in person at the post office, or station, or when he deposits it in a bank for collection, he should sign it on the face at the place provided for receipt and not on the back. When, however, he transfers the order to other than a bank he should sign the form of indorsement on the back. More than one indorsement is prohibited by law, the purpose being to restrict the use of money orders to remittances, but the collection stamps of banks are not construed as additional indorsements.

Fine Type of Piano Art

One of the daintiest piano creations on the market is the

Melville Clark Piano

It represents the highest skill in twentieth century piano manufacture

In Tone, In Touch, In Durability

It ranks with the best pianos made. In every particular it is a strictly high grade product and essentially a piano for the cultivated musical home. Send for illustrated booklet to the manufacturers.

Melville Clark Piano Co.

Steinway Hall, Chicago

Makers of the Melville Clark Apollo Player Piano with a range of 88 notes or the entire piano key board.

Two Grand Features in None Other

The Melville Clark Apollo Player Piano

Has the great transposing mouthpiece by which the music can be changed to any key to suit the voice or accompanying instrument, and an

88-Note Range

This wide range of the entire piano keyboard imparts to every composition played a truly orchestral color. Every note is played individually. No coupler used.

Would you buy a 65-note piano? Then why buy a 65-note player, which is the range of every other player? Why not insist on having a player piano with this 88-note range?

Always the Standard

DISTINCTIVE YEAR-BOOKS

For Clubs, Schools, and Societies

❡ It has been aptly said that there are many things whose value lies in the fact that they are exactly right.

❡ Just so with year-books and announcements of organizations that stand for something more than the commonplace. They must be correct.

❡ Printing that is simple, distinctive, and dignified may always be had at the Lakeside Press, and it costs but little more than the characterless sort.

❡ Without extra expense, we will suggest the arrangement, choice of paper, and so forth, for your work.
